Please note the followings:

- Whenever **Compliance with Shari'a** is mentioned in this document, we refer to the screening criteria approved by the Board of Shari'a Coordination between the Fatwa & Shari'a Supervisory Boards of Islamic Financial Institutions in UAE.
- Purification amounts were calculated only for the companies that were on the List by the end of 2008.
- The above amounts are the minimum impermissible amount by Shari'a; as it is difficult to calculate precisely these amounts relying solely on the Financial Statements.
