

## Investing in UAE Markets through EIFB

### Required Documentation

(Individual - Non UAE Residents)

To invest in any of UAE markets, clients should have an investor number with DFM and/or ADX. EIFB offers its clients the service of issuing the investor numbers on their behalf.

To ease the in and out flow of funds, EIFB opens for its clients a Stock Trading Account in Emirates Islamic Bank.

Then a Brokerage account will be opened with EIFB which will enable the client to trade in UAE Markets

#### > For Issuing Investor Number (NIN) in DFM (Dubai Financial market):

- Dully filled Investor Number Application
- Certificates of ownership of securities (optional)
- Shares Transfer Form ( to transfer your shares from the market to the broker)

#### > For Issuing Investor Number (NIN) in ADX (Abu Dhabi Securities Exchange):

- Dully filled Investor Number Application
- Photo ID copy (driving license, national ID, etc...)
- Shares Transfer Form (to transfer your shares from the market to the broker) if you own shares already in UAE Markets.

#### > For Opening Stock Trading Bank Account:

- EIB Stock Trading Bank Account Application.
- Bank reference letter from your bank.

#### > For Opening Brokerage Account:

- EIFB Brokerage Account Application
- Photo ID copy (driving license, national ID, etc...)

#### > The applications needed for trading online:

- Online Trading Application ( which will enable you to trade in ADX and DFM online)
- Bank Net Application (which will enable you to check on your bank account with EIB)

Passport copy along with all the above applications need to be fully signed, verified and stamped by any bank the client deals with and all originals to be sent back to us along with the documents.
